

My Generation (The Who)

People try to put us d-down
(Talkin' 'bout my generation)
Just because we get around
Things they do look awful cold
I hope I die before I get old

This is my generation
This is my generation, baby

Why don't you all fade away
And don't try to dig what we all say
I'm not trying to cause a big sensation
I'm just talkin' 'bout my generation

This is my generation ...

Why don't you all fade away
And don't try to dig what we all say
I'm not trying to cause a big sensation
I'm just talkin' 'bout my generation

This is my generation ...

People try to put us down
Just because we get around
Things they do look awful cold
Yeah, I hope I die before I get old

This is my generation ...
