

**Heartbreaker
(Led Zeppelin)**

Hey fellas, have you heard the news? You know that Annie's back in
town?

It won't take long just watch and see how the fellas lay their money down
Her style is new but the face is the same as it was so long ago
But from her eyes a different smile like that of one who knows

Well, it's been ten years and maybe more since I first set eyes on you
The best years of my life gone by, here I am alone and blue
Some people cry and some people die by the wicked ways of love
But I just keep on rollin' along with the grace from the Lord above

People talkin' all around 'bout the way you left me flat
I don't care what the people say, I know where their jive is at
One thing I do have on my mind, if you can clarify please do
It's the way you call me by another guy's name when I try to make love
to you
I try to make love but it ain't no use

Work so hard I can't unwind, get some money saved
Abuse my love a thousand times, however hard I tried
Heartbreaker, your time has come, can't take your evil way
Go away, Heartbreaker.
